

WESTERN PACIFIC
ROBOTICS ACADEMY

SPONSORSHIP PACKAGE

2025-2026

OUR TEAM

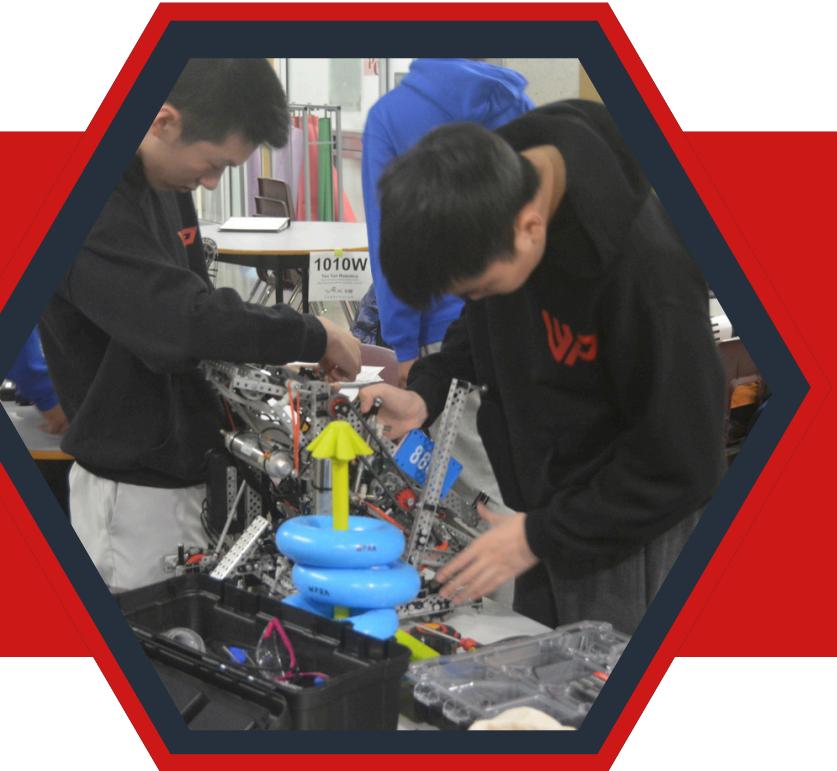

Western Pacific Robotics Academy (WPRA) is a non-profit society dedicated to inspiring and educating the next generation of innovators through robotics and STEM education. Our programs empower students with hands-on learning experiences, competitions, and mentorship opportunities. Sponsorships play a crucial role in helping us expand our reach to enhance resources for students passionate about technology and innovation.

ABOUT THE COMPETITION

VEX Robotics V5RC is a robotics competition program that creates annual game-based engineering challenges, promoting creativity, innovation, and collaboration.

VEX offers an enriching STEM experience, it encourages students to design, build, and program robots to overcome new challenges.

Our organization values collaboration, community support, and sportsmanship, fostering a culture of teamwork and mutual growth.

NOTEABLE PROGRESSION

**Establishment of
Western Pacific
Robotics Academy
Society (WPRA)**

March 2023

**WPRA high school team
886Y became Division
Finalists at the VEX World
Championships**

May 2024

**WPRA crowned Tournament
Champion at multiple local
events and qualifies for
provincials.**

Dec 2024

March 2024

August 2024

March 2025

**WPRA wins BC middle
school provincials,
sends first middle
school team and high
school team to World
Championships.**

**WPRA Hosts first
competition for the
new VEX Season with
teams from America
and Alberta attending**

**WPRA Qualifies 2
Highschool and 3
Middle school teams
to the World
Championships**

ACCOMPLISHMENTS

2023-2024

- x5 Excellence Award
- x10 Tournament Champion
- x9 Tournament Finalist
- x3 Robot Skills Champion
- x5 Design Award
- x3 Create Award
- x4 Build Award
- x2 Amaze Award
- x1 Think Award
- x2 Sportsmanship Award
- x3 Judges Award

2024-2025

- x8 Excellence Award
- x11 Tournament Champion
- x12 Tournament Finalist
- x7 Robot Skills Champion
- x4 Design Award
- x3 Create Award
- x6 Build Award
- x4 Amaze Award
- x6 Innovate Award
- x3 Think Award
- x3 Sportsmanship Award
- x4 Judges Award

COMMUNITY OUTREACH

WPRA held an interactive workshop at VSB39 Cunningham Elementary, where students explored coding, mechanical design, and robot control. They built, programmed, and tested robots in an exciting challenge, fostering curiosity and interest in STEM careers.

Members at WPRA volunteer with Penguin Robotics and PYRS, organizing and supporting VEX competitions in BC as judges, referees, and event staff. PYRS fosters STEM interest among youth, helps keep local competitions running each year.

INVEST IN THE FUTURE

- Since our foundation in 2023, WPRA has been a beacon for our community, ranging from volunteering at local robotics competitions to hosting workshops for youths.
- Supporting WPRA is more than just aiding a local robotics team, it's an investment towards future innovation, creativity, and ingenuity.
- Your contribution would not only help us afford essential parts and equipment but also inspire future scientists, engineers, and innovators by encouraging greater engagement and passion for STEM.

With your support, we can continue to inspire, innovate, and educate, fostering a culture of teamwork, dedication, and excellence that empowers students and drives future success in STEM.

WAYS TO CONTRIBUTE

From registration fees for tournaments to electrical and mechanical parts. Our yearly competition cost breakdown looks something like this:

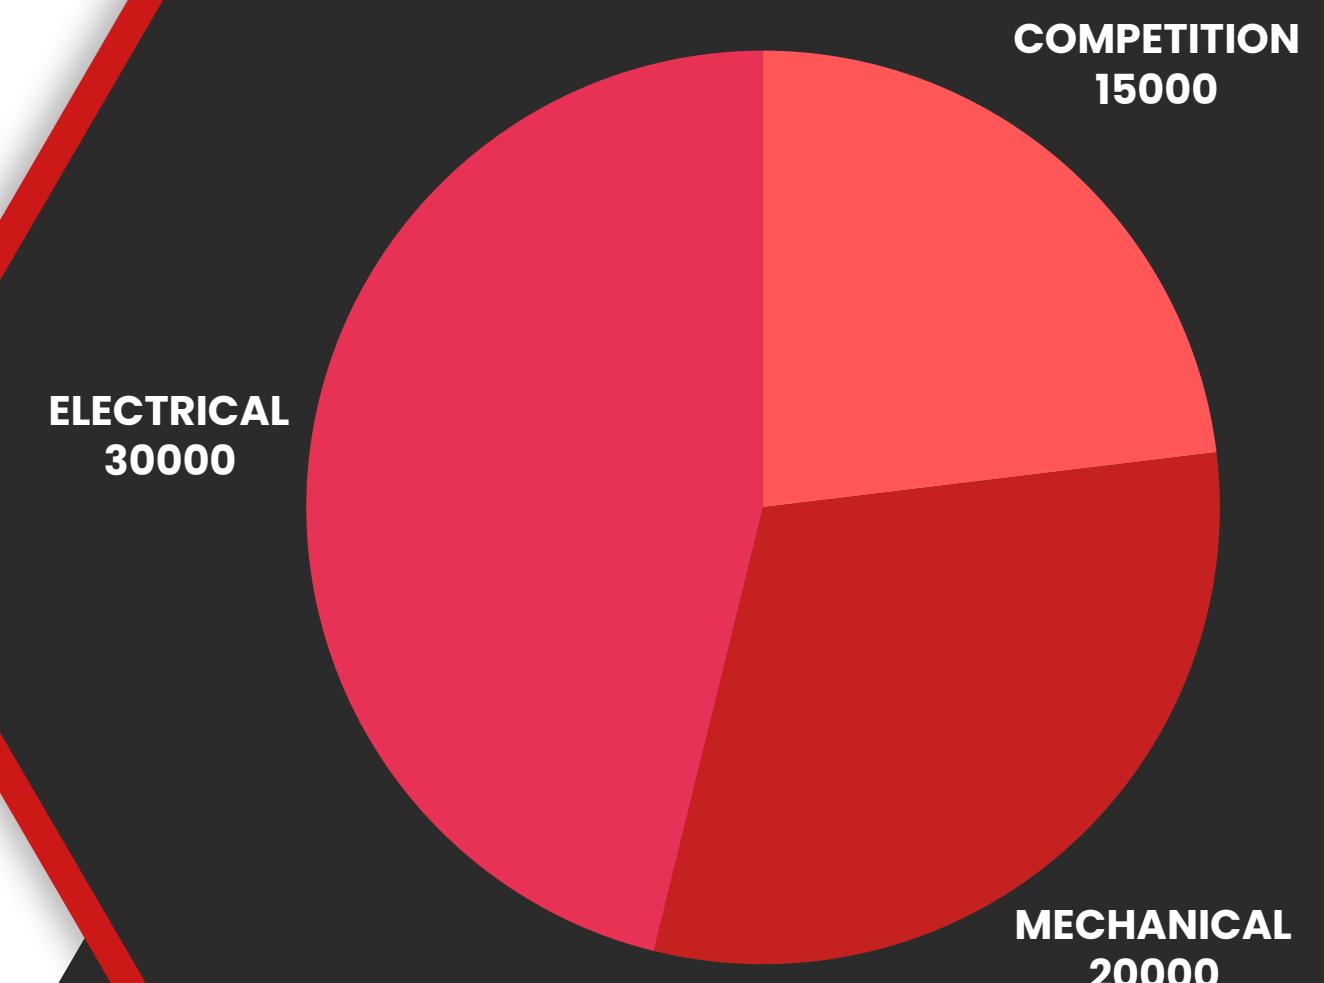

Competition \$ 15000

Mechanical \$ 20000

Electrical \$ 30000

Total \$ 55000

Your monetary contributions, discounts on products, or in kind donations can help us continue to compete with world-class teams and be champions!

SPONSORSHIP TIERS

Monetary, Goods or Services	Platinum \$5000+	Gold \$3000	Sliver \$1000	Bronze \$500	Supporter \$100
